

Pupils will actively seek through their learning, to discover their full potential and to appreciate an active and inquisitive life.

Dear parents,

We've had a great month and the children have enjoyed lots of different activities. We have been busy learning numbers and addition, learning new sounds, learning about planting and community helpers. We look forward to an exciting month ahead and have compiled for you a curriculum guide of the topics that will be taught.

Phonics:

Targets for the next four weeks:

Our target will be introducing the new sounds (ue, er& ar) to the children. We will learn both the sounds and the formation using Jolly Phonics and the children will blend the sounds to read simple cvc words and sentences. They will be learning the tricky words (said, here, there, they, no, so) and writing simple sentences using these words. In week four, we are going to revise the tricky words.

How you can help:

You can support your child at home by helping them learn the jolly phonics song and encouraging them to read words and signs around them.

Link to the jolly phonics in order song on YouTube:

<https://youtu.be/s-1sxzjPX8>

Maths:

Targets for the next four weeks:

In the first week, we are going to revise 3D shapes.

Students will work with different learning materials such as counters, flash cards and written data in order to recognize numbers and count numbers. Children will be learning subtraction and one less than a number. In week four we are going to learn about patterns.

How you can help:

You can support your child by revising the numbers with them, sing counting and add two-digit numbers together, also encourage them to watch videos about addition and 3D shapes and patterns.

Literacy and UTW:

This month, our topics will be about:

- Community helpers
- Summer/Seasons
- Transportation

In week four we are going to learn about the seasons/Spring.

And for literacy:

- Community helpers story
- Seren's Seasons
- My truck is stuck
- Zooming with clover

Students will sequence simple stories linked to the themes and retell the story using simple sentences. We will also be getting creative and crafting things that are linked to our topics.

Top Tips

- Please ensure that your child is on time every morning after a good night's sleep.
- Recommended 10 to 12 hours sleep for children 3-5 years old.
- Read with or read to your child 10-15 minutes every day.
- Continue letting your child bring healthy food for snacks and lunch.

Expectations:

- Children to follow the behaviour policy
- Children to always try their best
- Children to sit beautifully during input
- Listen when somebody is talking
- Children to be kind to others.

Finally, a reminder that we have online classes from 9am every day.

Many thanks,
Foundation stage 2.
